Cavotec secures Sandvik order in Brazil

Cavotec has won a milestone order from mining equipment supplier [Sandvik](#) for four large level winder reels (see image above) for an application in Brazil.

The end-customer is global mining group [Vale](#). These large units, capable of reeling 2,000m of cable, will be designed and manufactured by Cavotec at its facility in Shanghai.

This project will serve as an excellent reference for Cavotec and its [Mining & Tunnelling unit](#) in Brazil and beyond.

Cavotec is a leading cleantech company that designs and delivers connection and electrification solutions to enable the decarbonization of ports and industrial applications.
