QNET strengthens personal care and beauty portfolio with the launch of BeYouTe Advanced Skincare products

Duniya Khabar, Bhubaneswar, Jan 10, 2020

This range of products comes from Switzerland which has daily routine for healthy and beautiful skin. The high-performance skin care formula is suitable for all skin types, even the most sensitive skin. The product range consists of Micellar Water – Soothing & Hydrating Cleanser, Deep Cleansing & Purifying Gel, Fortifying & Rejuvenating Toning Lotion, Revitalising & Radiant Face Serum, Lifting & Firming Eye Zone Gel, Protective & Age

Defense Day Cream with SPF 12, Restoring & Nourishing Night Cream, Refreshing & Radiant Moisturising Mask, Moisturising & Nourishing Hand Cream, Intense & Deep Moisturising Body Lotion. The products can be used for both morning and night regime to address problems of pollution, fine lines from premature aging, skin dryness, sun protection and skin damage. The skin is fully protected against external stress factors and the tissue repair process is accelerated. This premium personal care and beauty range is priced from INR 2700 onwards.

The unique feature about BeYouTe Advanced Skincare products is the exclusive 360° skin protection and repair technology which is infused with CM-Glucan. CM Glucan is a natural yeast derivative which increases the skin's self-protecting capacity accelerating skin recovery and restores the skin's moisture barrier. With daily morning and night regime, this range of products helps strengthening the skin's immune system, increase cell renewal rate and slow down the ageing process. One can witness healthy, beautiful, radiant and glowing skin.

The products are available for sale through QNET's dedicated 6, 00,000 Distributors in India. To know more details about QNET products, please visit www.qnetindia.co
