Fox-IT (part of NCC Group) Recognized in 2021 Splunk Regional Partner Awards

Fox-IT (part of NCC Group) today announced it has received the 2021 EMEA Rookie Partner of the Year award for exceptional performance and commitment to Splunk's Partner+ Program.

The 2021 EMEA Rookie Partner of the Year Award recognizes an EMEA Splunk partner who in their first year as a Splunk partner rose quickly through the partner tiers and Partner+ requirements, as well as overachieved on sales and certifications. For more information on Splunk's Partner+ Program, visit the Splunk website.

Christian Prickaerts (Director Managed Services at Fox-IT) on winning the award: "I am truly proud our team has been awarded this award. It is the recognition of our commitment to Splunk. It is the recognition of our commitment to Splunk as part of NCC Group's Global MDR portfolio and important for our Global Managed Services growth strategy going forward. The exciting journey Fox-IT and Splunk have been on together, with great commercial success as a result."

"Congratulations to Fox-IT for being named the 2021 Rookie Partner of the Year in EMEA," said Bill Hustad, VP, Global GTM Partners, Splunk. "The 2021 Regional Partner Awards highlight outstanding partners like Fox-IT that deliver successful business outcomes, as well as help our EMEA customers leverage Splunk's Data-to-Everything Platform to drive value and unlock insights. Additionally, Fox-IT shares our commitment of prioritizing customer success."

The Splunk Partner Awards recognize partners of the Splunk ecosystem for industry-leading business practices and dedication to constant collaboration. All award recipients were selected by a group of the Splunk executives, theater leaders and the global partner organization.

About Fox-IT (part of NCC Group)
Fox-IT prevents, solves and mitigates the most serious threats caused by cyber attacks, data leaks or fraud with innovative solutions for governments, defense agencies, law enforcement, critical infrastructures and banking and commercial enterprise clients worldwide. The Fox-IT Red Team service is part of NCC Group's Full Spectrum Attack Services. Fox-IT combines smart ideas with advanced technology to create solutions that contribute to a more secure society. We develop products and custom solutions for our clients to guarantee the safety of sensitive and critical (government) systems, to protect industrial networks, to defend online banking systems and to secure confidential data.

About NCC Group

NCC Group exists to make the world safer and more secure.

As global experts in cyber security and risk mitigation, NCC Group is trusted by over 15,000 clients worldwide to protect their most critical assets from the ever-changing threat landscape.

With the company's knowledge, experience and global footprint, it is best placed to help businesses identify, assess, mitigate and respond to the evolving cyber risks they face.

To support its mission, NCC Group continually invests in research and innovation, and is passionate about developing the next generation of cyber scientists.

With over 1,800 colleagues in 12 countries, NCC Group has a significant market presence in North America, continental Europe and the UK, and a rapidly growing footprint in Asia Pacific with offices in Australia and Singapore.
