## **PEMA 2020 AGM to be held in London**

**[The Port Equipment Manufacturers Association](#)'s (PEMA) 2020 Annual General Meeting will be held in London, UK, with dates set for the 10th and 11th of March, following a decision of the PEMA board and an offer to host the event provided by cable manufacturer Tratos.**

During the event, and in addition to a series of keynote speeches delivered by industry figures and internal discussions regarding challenges facing the global ports sector, the Association plans to organize a visit to the International Maritime Organization and a dinner at the House of Commons in Westminster.

Further information about the AGM will be distributed to PEMA members in

due course.

---

Founded in 2004, PEMA provides a forum and public voice for the global port equipment and technology sectors. The Association has seen strong growth in recent years, and now has 110 member companies representing all facets of the industry, including crane, equipment and component manufacturers, automation, software and technology providers, consultants and other experts.
