Centiro Named "Cool Vendor" by the leading analyst firm Gartner

Vendors selected for the "Cool Vendor" report are innovative, impactful, intriguing and in line with Gartner's view of current forces and trends in the market. The report identifies the innovative companies, products and services that shape business strategies.

"We are proud to be named Cool Vendor by Gartner – we provide true innovation and transformational capabilities to customers where the supply chain and logistics is core to business strategy and execution. The recognition from Gartner is an honor and we believe affirms that the word innovative can be used in its true right to describe the value we provide to our customers", says Niklas Hedin, CEO of Centiro.

"The world of today requires companies to have new levels of adaptability in order to respond to opportunities and market needs, we are happy that Gartner recognizes our point of view", Niklas Hedin ends.

"Supply chain management innovation continues. Supply chain and IT leaders can benefit from the new solutions emerging that are more adaptable, help improve supply chain optimization and enhance decision making", notes Gartner, Inc. in "Cool Vendors in Supply Chain Management Applications, 2013", Dwight Klappich, et al April 2013
