Karin Westerberg is back again 24/1!

Once again Karin turns the Dining Room into a piano bar! From 21 until late she will be hosting another late night singalong at Lydmar! Swing by for something to eat or have a drink in our bar for this occasion. We can assure you that this is an evening you do not want to miss!

In 1999 she began playing classical piano for the guests at a castle outside of Stockholm. What the 16 year old girl from Gnesta didn't know then was that she would become one of the best barpianists in Sweden, play all over Europe and that she'd also be one of the team leaders in the big TV music show Så Ska Det Låta.
