Evorich Flooring Group Featured on Last Episode of Mediacorp Home Makeover TV Show

Evorich [Flooring](#) Group is once again featured on the last episode of Home Makeover 2, one of the most popular home interior shows in Singapore. In this episode, tarkett laminate flooring is used for storage platform in the living room as well as part of the main flooring. High End Resilient Flooring (HERF) Kentucky Oak design is also selected to give the home design unique contrasting colors.

[Laminate flooring](#) and HERF are great flooring materials for flooring platform

as it provides comfort to the feet and is pleasing to the eye. On top of that, both tarkett laminate flooring and HERF products have high level of slip resistance, what it means to the home owners is that such flooring is able to keep the home member safe.

Flooring platform improves the shape and design of the home, thus defining your living spaces. This home project is designed by interior designers from Weiken.com, the whole interior design is focused on a Mediterranean living kind of concept.
