## AbbVie Appoints New General Manager in U.K.

**Maidenhead, UK**, 19th July 2019 – AbbVie, a global biopharmaceutical company, today announced that Todd Manning has been named General Manager, AbbVie U.K. This change will be effective 1st September 2019.

Todd moves to the UK from his current position within the company as General Manager, AbbVie Ireland. Elected to the Irish Pharmaceutical Healthcare Association (IPHA) strategy board in 2016 and to the Board of Directors in 2018, he has held the positions of Deputy Vice President and Chair of the Finance Committee. He also served on several working groups including Market Access and Biotherapeutics.

Since joining Abbott in 2004 he has held roles of increasing responsibility; Director, Immunology, Ireland; Director, Immunology, Canada; HCV Senior Commercial Director, Western Europe & Canada. Prior to joining the organisation, Todd was with TAP Pharmaceuticals, Inc. where he held a variety of commercial sales and marketing positions.

Todd earned a Bachelor's degree in Chemistry from the College of Holy Cross in Massachusetts.

Todd will succeed Jérôme Bouyer, UK General Manager since July 2017, who is appointed Vice President, AbbVie Eastern Europe Middle East and Africa (EEMEA).
