## Daybreak Games Unleashes New Event & Episode for DC Universe Online, 'Justice League Dark', Available Now for PS4, Xbox One and PC

**Thursday, March 28, 2019:** Daybreak Games today released the latest major content for DC Universe Online - Justice League Dark, available now for PS4, Xbox One and PC.

In this new episode, a giant rift has opened in the sky above Gotham City, introducing ancient magic and the invasion of a massive, tentacled Daemon.

Players will fight alongside familiar experts in the occult to protect Earth.

The Justice League Dark Episode also includes a level-agnostic event version of content available to all players Level 10 and up for a limited time:

- New and returning heroes and villains, including Zatanna, John Constantine, Mordru, Doctor Fate, Felix Faust, and Shazam!
- A variety of single-player and multiplayer adventures set in several magical and otherworldly locales, including the Limbo Town, the Rock of Eternity, the House of Mystery, and more!
- Player rewards, including an A.R.G.U.S. Operative gear style inspired by Steve Trevor and the Son of Belial gear style inspired by Etrigan.
