Happy Christmas from Digital Yacht

Digital Yacht will close for Christmas holidays from end of day 23rd December 2020 and re-open 4th January 2021. During this time there will be no logistics or shipping in operation. Any orders received during this period will ship after 4th January and we'll upgrade to express services where possible.

We've missed meeting you at boat shows and events this year that have been cancelled due to the Covid pandemic but fingers crossed, these will recommence in 2021 as the World comes to terms with vaccination and better Covid protection. As always, we'll keep you updated via Digital Update,

YouTube and our global websites as well as our news feed at
www.digitalyacht.net

Brexit will happen on 1st January 2021 but we've put in place a new office and logistics facility in France for all our EU Customers which will provide a seamless and frictionless (plus customs and tariff free) transition. You can find out more [HERE](#)

Happy holidays everyone and stay safe, fit and healthy

Best wishes and Good Boating!
