Message of support from Dartford's very own Sir Mick Jagger

2020 has been a tough year for us all, and we've only got through it thanks to the support of you our community.

As we approach the most challenging Christmas we've ever faced, we were thrilled to receive a message of support from Dartford's very own, Sir Mick Jagger. As he's said, we are here to provide special care when adults or children living with life limited conditions in our community really need it, and we will be doing so all throughout the holidays.

If you would like to make a festive [donation](#) to our Christmas appeal.
Thank You

We are **ellenor**, a charity funded by the generosity of our local community, offering the best care and support to families facing terminal illness in Kent. We are the **only** charity in the county that provides hospice care for people of all ages – babies, children and adults - and their families. This includes pain and symptom relief, end of life care, respite, bereavement support and emotional and spiritual care.

Our Children's Hospice Care, formerly known as chYps, is provided in the comfort of the family home and spans across North and West Kent and the London Borough of Bexley. Adults living in Gravesham, Dartford and Swanley, receive care in their place of choice, including their own homes, at our Hospice in Gravesend and in local care homes.
