## International Nurses' Day 2020 - Shine a Light for our Nurses

International Nurses' Day 2020 - Shine a Light for our Nurses

Today, on International Nurses' Day and the bicentenary of Florence Nightingale's birth, we salute all our Nurses who are working tirelessly every day to keep the nation safe, bravely working on the front line of the Covid-19 pandemic.

We also pay tribute to the thousands of former Nurses who have answered

the call and selflessly returned to service to help the NHS confront Covid-19; the greatest healthcare challenge in the history of our National Health Service.

In a gesture reflecting the lamp carried by Florence Nightingale - the founder of modern nursing and a pioneer in infection control - Nursing leaders urge the public to 'Shine a Light' from a window tonight at 8.30pm to mark the 200th anniversary of her birth, International Nurses' Day and to recognise the heroic efforts of all our nursing professionals in tackling coronavirus.

**Finegreen Associates is a young, dynamic specialist recruitment consultancy – focusing on permanent, interim and fixed-term contract management and executive roles in both public and private sectors.**

**We've won a fair number of awards since starting in 2005 – and have been listed in the *Sunday Times* Fast Track Top 100 businesses – but what really keeps us going at Finegreen is the positive detailed feedback we get from our customers and candidates on a regular basis.**

**It is this attention to the detailed needs of the people we work for which has underpinned Finegreen's growth and success over the past eight years – a success story which has bucked the challenging economic trends over that period.**

**Part of this attention to detail includes offering teams of specialist consultants, each expert in areas reflecting our clients' and candidates' fields of interest – whether this is budgets or buildings.**

**It's a way of working which has seen us collect awards such as Best Small to Medium Business in both the 2013 & 2014 Best Business Awards, as well as Recruiter of the Year in both the 2013 and 2014 Health Investor Awards – while our Chief Executive Neil Fineberg has also been nominated for Entrepreneur of the Year.**
