## Mondelēz International Honoured As One Of The UK's Best Places To Work In 2021

**Uxbridge, UK. – January 12, 2021** – Mondelēz International, Inc. (NASDAQ:MDLZ) has been honoured with a [Glassdoor Employees' Choice Award](#), recognising the Best Places to Work in 2021. The Employees' Choice Awards programme, now in its sixth year in the UK, is based solely on the input of employees, who elect to provide feedback on their jobs, work environments and companies on [Glassdoor](#), the worldwide leader on insights about jobs and companies.

On [Glassdoor](#), current and former employees voluntarily and anonymously share insights and opinions about their work environments by sharing a company review, designed to capture a genuine and authentic inside look at what a specific job may be like at a particular company. When sharing a company review on Glassdoor, employees are asked to rate their satisfaction with the company overall, and key workplace factors like career opportunities, compensation and benefits, culture and values, senior management and work/life balance. In addition, employees are asked to describe the best reasons to work at their companies as well as any downsides.

Glassdoor's Best Places to Work were determined using company reviews shared by UK-based employees between 22 October 2019 and 19 October 2020. To be considered for the UK award, a company must have had at least 1,000 or more employees and have received at least 30 ratings across each of the eight workplace attributes from UK-based employees during the period of eligibility. The final list is compiled using Glassdoor's proprietary algorithm, led by its [Economic Research Team](#), and takes into account quantity, quality and consistency of reviews.

Commenting on the achievement, **Louise Stigant, UK Managing Director for Mondelēz International**, said:

“We are extremely proud to be recognized as one of the UK's best places to work in 2021. Thank you to all our UK employees who provided honest feedback on Glassdoor. Our people are at the heart of our business and everyday their resilience, care for one another and efforts make me incredibly proud. It is their commitment to creating an inclusive and connected community where differences are valued that makes Mondelēz such a positive and inspiring place to work.”

“COVID-19 is in the driver's seat and every employer has been impacted. This year's winning employers have proven, according to employees, that even during extraordinary times, they'll rise to the challenge to support their people,” said **Christian Sutherland-Wong, Glassdoor Chief Executive Officer**. “A mission-driven culture, transparent leadership and career opportunities are always hallmarks of Best Places to Work winners.
