Furniture donation made to North Glasgow primary school

ng homes were delighted to assist with a furniture donation from SHARE. With SHARE now delivering many of their services online and with staff working remotely, their office furniture was needing to be rehomed. ng homes were delighted to support this and the furniture will be donated to Saracen Primary School which fits well within ng homes' National Lottery Fund to be Supporting, Connecting and Building Resilience in North Glasgow which operates a community furniture and furnishing services. This is an excellent example of partnership working across the community!
