Happy Mid-Autumn Festival

ng homes wishes you and your families the very best for the Mid-Autumn Festival.

The Full Moon Festival has the meaning of family union and friendship among people. Over the last 5 years we have been very happy to share the Festival celebrations with you in North Glasgow.

Everything is very different this year, however it is still a good time to reflect on the importance of family and friends and it is a time for us to continue to care for each other.

We hope that next year we will have a very large celebration and be able to meet once again.

In the meantime, on behalf of our Chief Executive, Robert Tamburrini, Board Members and staff we would like to take this opportunity to wish you well and pray that you keep safe during these difficult times.

Best wishes

John Thorburn (Chair of ng homes)
