## Can you help us identify this man from CCTV image after assault in Camberley?

We have released CCTV images of a man we would like to speak to in connection with an assault which took place outside McDonalds in Camberley on Sunday, 6 October.

We were called at approximately 9.20pm to reports that a man had been assaulted outside McDonalds on High Street, Camberley.

The victim, a man in his 30's, sustained a deep cut to his lip after he was grabbed round the neck and punched multiple times as a result of the attack.

PC Paul Finnegan, of the Surrey Heath Specialist Neighbourhood Team, said: “We are keen to hear from anyone who recognises the man from the CCTV image, as they may be able to help us investigate a nasty assault on a man.

“If you recognise the person in the image, or were near the area when the assault took place and have any information that might help us, please call 101. The incident happened on the High Street, so if you were driving in the area around the time the assault took place, please review your footage in case anything stands out.”

If you can help, please contact us on 101, quoting incident reference PR/45190105924.

You can also give information, 100% anonymously, to the independent charity Crimestoppers on 0800 555 111; or through their anonymous online form: <https://crimestoppers-uk.org/>
